PRESS RELEASE  
FOR IMMEDIATE RELEASE

***Classic Strap™ – the neck strap with a Touch of Class!***

NEOTECH introduces a new sleek design for your saxophones, bass clarinet, English horn, bassoon, oboe and other instruments. The tailored design is made with soft, durable neoprene combined with a unique internal control-stretch system. While the neoprene evenly distributes the weight, the unique internal support absorbs the shock of your movements normally felt in the neck and shoulders.

The **CLASSIC STRAP™** is available in a choice of three hook styles: plastic open hook, swivel hook and plastic-covered metal hook. These hook options are ideal for beginners, performers in marching bands or active professionals switching between instruments during a gig. The **CLASSIC STRAP™** is available in junior length (15" to 18"), regular length (16½" to 21") and X-long length (20½" to 26"). Made 100% in the U.S.A.
