PRESS RELEASE
FOR IMMEDIATE RELEASE

*NEOTECH's **MANDOLIN STRAP** offers compact comfort and ideal connection systems—What a combo!*

Finally, mandolin players can benefit from the weight reduction comfort of NEOTECH straps. The revolutionary **MANDOLIN STRAP** (36"-46") makes your instrument feel 50% lighter and 100% more comfortable. It's easy to attach and holds your instrument securely. The loop connector attaches to either the neck or the scroll of an F-Style mandolin which can be tightened with the triglide buckle for added security. The other end uses a top-grade leather attachment for the base of the mandolin. Quick release buckles join the connector systems to the main strap to give added versatility and convenience. This unique system also enables quick and easy removal of the strap when storing the mandolin in its case. The tailored design appeals to users of all playing ability and the comfort is unmatched by any other strap. It's sure to be a favorite!

The **MANDOLIN STRAP** is available in black and made 100% in the U.S.A. For more information about our products, please call 800-251-7815, e-mail info@optechusa.com or visit us online at www.optechusa.com or www.neotechstraps.com .
