MEGA AX STRAP™
MEGA BASS STRAP™
MEGA BANJO STRAP™

NEOTECH introduces the “MEGA” Straps for guitar, bass and banjo!

NEOTECH introduces a new sleek design in guitar and bass straps. The revolutionary **MEGA AX STRAP™** (47"-56") and **MEGA BASS STRAP™** (42"-51") have a patented internal control-stretch system which makes your instrument feel 50% lighter and 100% more comfortable. The extra long neoprene pad design offers added comfort across the shoulder and back. Top grade leather attachments make this a strap that will last a lifetime. The tailored design appeals to users of all playing ability and the comfort is unmatched by any other strap. It's sure to be a favorite!

The **MEGA BANJO STRAP™** (49"-57") combines all the features of the other straps with the perfect attachment system. Strong side release buckles join unique loop connectors to the main body of the strap. Merely thread the loops through the brackets, pass the side release buckles through the opening and reattach to the main strap. This creates a secure hold that is a snap to attach.

The **MEGA AX STRAP™**, **MEGA BASS STRAP™** and **MEGA BANJO STRAP™** are available in black. Made 100% in the U.S.A. For more information about our products, please call 800-251-7815, e-mail info@optechusa.com or visit us online at www.optechusa.com or www.neotechstraps.com .
