**S.O.S. Strap™**

**Mini S.O.S. Strap™**

***S.O.S. Strap™ and Mini S.O.S. Strap™ — "Save On Shoulders!"***

The **S.O.S. STRAP™** and **MINI S.O.S. STRAP™** should be standard gear for every traveler and musician. The **S.O.S. STRAP™** is designed to carry heavy loads while the **MINI S.O.S. STRAP™** is ideal for light to medium weight loads. Whether you're carrying garment bags, computer cases or gig bags, these straps can carry the load in comfort. NEOTECH's unique weight reduction system evenly distributes the weight while our patented internal control-stretch system absorbs the shock of your movements normally felt in the neck and shoulders.

The tailored design is made with soft, durable neoprene combined with an internal control-stretch system that makes heavy loads feel 50% lighter and 100% more comfortable. It also incorporates our unique Non Slip Grip™ to secure the strap on your shoulder. Both straps attach quickly and easily to any bag or case with metal swivel hooks. Available in black and steel, the **S.O.S. STRAP™** and **MINI S.O.S. STRAP™** are made 100% in the U.S.A.
